

HOW CAN YOU PREVENT GAS EMERGENCIES?

Keep all appliances cleaned, properly vented and serviced regularly.

Make sure everyone in your family knows how to operate gas appliances and shut-off valves.

Don't use an open gas oven for heating your home or drying clothes.

Do not use or store gasoline, aerosols or other products with flammable vapors near gas appliances.

Change your furnace filter regularly.

Never cover fresh air vents that supply air to your gas appliances.

Have all gas line alterations and appliance repairs performed by a professional.

Before digging in your yard, be sure you know the location of underground gas lines. Call Palmetto Utilities Protection Service (PUPS) @ 1-800-922-0983 or dial 811.

ANYTIME you suspect a gas leak or gas emergency, please call the City of Union:

For Weekdays 9 AM - 5PM, call 864-429-1717

For After-Hours and Weekends, call 864-429-1707

864-429-1707 is a 24-Hour Emergency Number

They will contact our gas department personnel and respond to the emergency call.
