

**CITY OF UNION, SOUTH CAROLINA
UTILITY DEPARTMENT
ELECTRIC RATE SCHEDULE D**

**INDUSTRIAL
(Rate Code 007, 010)**

AVAILABILITY: This schedule is available only to establishments classified as “Manufacturing Industries” by the Standard Industrial Classification Manual published by the United States Government, and where more than 50% of the electric energy consumption of such establishment is used for its manufacturing processes.

Service under this Schedule shall be used solely by the contract Customer in a single enterprise, located entirely on a single, contiguous premise.

This Schedule is not available for auxiliary or breakdown service. Power delivered under this Schedule shall not be used for resale or exchange or in parallel with other electric power or as a substitute for power contracted for or which may be contracted for, under any other Schedule of the City, except at the option of the City, under special terms and conditions expressed in writing in the contract with the Customer.

The obligations of the City in regard to supplying power are dependent upon its securing and retaining all necessary rights-of-way, privileges, franchises and permits, for the delivery of such power. The City shall not be liable to any Customer or applicant for power in the event it is delayed in, or is prevented from furnishing the power by its failure to secure and retain such rights-of-way, privileges, franchises and permits.

TYPE OF SERVICE: The City of Union will normally supply the equipment necessary and will deliver to the Customer through one meter at one delivery point, mutually satisfactory to the City and the Customer, 60-cycle alternating current electricity of the phase and voltage desired by the Customer, provided electricity of the phase and voltage desired by the Customer is available generally in the area in which service is desired.

Effective 07-01-2017
