

PLEASE JOIN IN THE COMMUNITY CHANGE PROGRAM...

IT WON'T HURT A BIT; BUT IT WILL HELP!

For less than two pennies a day, you can help the people in our community. By participating in the Community Change program your monthly balance will be rounded up to the nearest dollar.

For example:

Monthly utility bill is: \$82.50

Community Change amount: .50

Total bill due after round up: \$83.00

That extra change goes into a fund that our partners, the Salvation Army and Carolina Community Action, will administer and qualify individuals to receive. As part of the qualifications, you must participate in the program. Monthly contributions could be from one penny to ninety-nine cents, so the maximum amount will never exceed \$11.88 per year. Contributions are tax deductible because it is a not-for-profit program. Your bill will reflect your monthly and year-to-date contributions. If you would/would not like to participate in the program please complete this form and return it to the City of Union Utility Department.
